## **Vineyard Info:**

This wine represents two distinctly different regions of California's north coast. Alvin Tollini organically farms the Syrah, Petite Sirah, and Malbec in Mendocino County. The Merlot grapes come from the heart of the Dry Creek Valley. The combination of the fruits from both regions leads to a well-balanced red blend.

## **Winemaker Notes:**

The dark and purple plumminess of the Petite Sirah and Syrah stand out in the glass. A big, juicy mid-palate slides into a velvety finish. The Merlot and Malbec round off the hard edges to create a perfectly blended big red.

## **Jigar Wines**

Located in the heart of enchanting Sonoma County, CA, our family-owned boutique winery places an emphasis on showcasing the terroir of the region. Our small production winemaking techniques allow us to create wines that are a worthy representation of the vineyards from which they originate.
