Terra Alta Vineyard

Clements Hills - Lodi, CA

Our Story

Markus and Liz Bokisch have been producing award-winning Spanish varietals since the early 2000s. With hearts and heritage of Spain, their inspiration to produce Spanish varietal wines in California began by directly importing budwood from select vineyards in Spain, thus creating Bokisch Vineyards, nestled in the Clements Hills of the Lodi AVA. They began making wine from their estate grown and organically farmed fruit in 2000.

Our Vineyards

Our Terra Alta Vineyard is the beautiful home of our winery facility and is nestled in the toe of the Sierra Foothills. Featuring 80 acres of redding gravelly clay loam, this is the organically certified home of our plantings of Albariño, Garnacha, and Graciano. Markus planted this parcel in 1996 because its climate and soil were almost identical to the vineyards he farmed in the Vaca Mountains of Napa Valley. Those vineyards, like our Terra Alta, are perfect for Mediterranean varieties.

Our Wine

This delicious Albarino has a beautiful white gold shimmery hue as you swirl it in your glass. It has deep and intense aromas of tropical fruit, white peach skin, Granny Smith apple, and zesty orange peel. Its dramatic citrus flavors that lead into secondary flavors of underripe pineapple, banana, lychee, and orange liqueur. It has a long and briny finish that leads you wanting another sip.
