

2018 Tempranillo

Liberty Oaks Vineyard

Jahant - Lodi, CA

Our Story

Markus and Liz Bokisch have been producing award-winning Spanish varietals since the early 2000s. With hearts and heritage of Spain, their inspiration to produce Spanish varietal wines in California began by directly importing budwood from select vineyards in Spain, thus creating Bokisch Vineyards, nestled in the Clements Hills of the Lodi AVA. They began making wine from their estate grown and organically farmed fruit in 2000.

Our Vineyard

Our 63 acre Liberty Oaks Vineyard holds a special place in our hearts. It is the second vineyard of Tempranillo that we planted in Lodi and soon became our prize! The soils of Liberty Oaks are San Joaquin Clay Loam, which is California's official state soil. They were deposited along ancient river ways that changed courses along the valley floor over a period of 250,000 years. We have been producing vineyard designated Tempranillo from Liberty Oaks since 2016. It has been certified green by the Lodi Rules of Sustainable Winegrowing.

Our Wine

Our Liberty Oaks Tempranillo grapes are fermented in stainless steel for ten days. We then let them sit for an additional 2 weeks for extended maceration before they are moved into a combination of French, American, and Hungarian Oak barrels. This wine features a deep burgundy color that glistens brick red as you swirl it in your glass. Intense aromatics of rose petal, new leather, baking spices, and dried cherry jump out of the glass. It has meaty flavors of Santa Rosa plum, cherry fruit leather, cardamom, and cinnamon. It has dusty, grippy, and elegant tannins that are reminiscent of a classic Rioja Reserva from Spain.

Tech	14.8% Alc. Brix: 24.6
Composition	100% Tempranillo
Clone Selection	Ribera del Duero - Massal Selection by Markus Bokisch
Aging	Aged for 24 months - 15% New French, 15% New Hungarian, 70% Neutral French Oak
Soil Types	Volcanic Clay Loam
Production	600 Cases Produced
SRP	\$29
Winemaker	Elyse Perry

Born in Spain. Grown in Lodi.
